

AUTUMN SHOW GROUP EXHIBITION

20TH SEPTEMBER UNTIL 4TH NOVEMBER 2017

Jaques Bodin 'Repaire de Bacchus' Oil on canvas

Join us this autumn to view new works by gallery artists at the Autumn Group Show. The exhibition will showcase the talented mix of artist we have in the gallery – from still life painters to sculptors of the human form. It will run all through Autumn up until the winter months and is the perfect thing to see you through this transitional season.

Works featured will include paintings from over 20 artists including the colourful, playful mixed media works by artist Nourine Hammad, the cool, classic still lifes of Steve Smulka and the wonderful flower studies of Glen Semple.

The show will also coincide with our time at the Affordable Art Fair. Which will exhibit the more affordable works we have available in the gallery.

As always, we will be showcasing a vast array of styles and subject matter, so there truly is something for everyone!
